**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's important for there to be competition among Internet providers. I have daughters who have lived in communities where it was a monopoly and the cost per Gigabyte, and the policies that are imposed have a deleterious effect on access to the resources that are out there! It's expensive enough without allowing major corporations to suppress the smaller companies!
